Praising God for His Perfect Plan!

We are so thankful for how God works! We know He has a plan for us and that He is perfectly able to bring it to pass! This month we had a pastor reschedule a visit with very short notice. This seemed disappointing, as it is difficult to fill in holes in the schedule on short notice. What we didn't know is that God had taken control of our calendar.

We were in the midst of a multi-state, multi-church road trip with a free Sunday morning. Not what a missionary appointee considers to be a good thing. We decided to worship with Lookout Baptist Church in West Virginia. We received a warm welcome and, upon hearing that we were on deputation, the pastor invited Rich to tell the congregation about our ministry during the morning service. We left the church with an invitation to present our ministry and a generous and unexpected love gift. God knew what church he wanted us to be at and made sure we were there!

Witnessing to Mormons

Recently my mom was asked what caused her to leave the Mormon church. Mom's answer, short and to the point was, "I read the Bible." She went on to explain that it was lack of Biblical knowledge that led her to join the Mormon church and it was Biblical knowledge that led her out. There is no substitute for God's Word! It is the most powerful way we can share the Gospel. Let's remember what the Bible says, "faith comes by hearing and hearing by the Word of God." Romans 10:17.
